## What Is Catholic Family Services?

- The professional counseling and social services agency of the Archdiocese, serving children and families in 6 offices conveniently located throughout St. Louis and surrounding areas.

- All counselors hold academically and professionally recognized degrees at the master's level.

- An agency serving all persons regardless of religion, race, gender, age, national origin or economic situation.

## What Is The School Partnership Program?

- Program designed to assist students from kindergarten through 12th grade attending parochial, private and public schools.

- Provider of school-specific services based on the philosophy that the school, family and community are partners in educating our children, strengthening families, and building stronger, safer communities.

## Services Offered by the School Partnership Program (SPP) are:

**1) Embedded school-based counseling services-** Schools request the services of a counselor for one or more days a week.

**2) Outreach school-based counseling services-** Schools request the services of a counselor on an as-needed basis for individuals/group counseling.

**3) Crisis response school-based services-** Schools request crisis intervention/grief related counseling services in response to a trauma affecting the school community.

**4) Consultative services-** Schools request a counselor to consult with staff regarding students or general school-related issues. This may be in the form of a Care Team or other wrap-around service or on an as-needed basis.

**5) Prevention services-** Schools request educational programs for students, faculty and/or parents on a variety of topics. These include:
